

Air Raid Wardens Are Appointed Buffs To Be Honored Tuesday Nite

Food Stamp Plan Is Adopted Here

8 Inch Snow; .60 Moisture

Wheat Gets Good Boost As Heavy Snow Blanketed All of the Panhandle Sunday

Canyon received 60 of an inch of moisture Saturday night and Sunday morning as the result of an 8-inch snow.

The snow was one of the finest received in Randall county this winter and will be of great benefit to the wheat. Country roads were almost impassable for two days.

The temperature dropped to 20 degrees above zero Monday morning, but moderated and the snow melted rapidly. A colder north wind yesterday will hold snow on the ground for several days more.

Physical Exams Taken By Men; More Cards Here

Twelve men went to Lubbock Tuesday night for physical examination under selective service. Two other men were called but both were sick with the measles. They will go on a later call.

Seven men will be inducted into military service at Fort Sill on March 13.

It is likely that the local board will receive another call for men before the end of this week, judging the regularity with which calls have been received in the past two months.

Seymour Rusk and Tom Fleming left Tuesday for Dallas to start their enlistment in the navy.

Bruce Cleland will leave today for Dallas to begin his enlistment in the navy.

Ten more cards were received this week for men who registered on February 16 for military service. This brings the total of the county to 477. The local board will shuffle the cards next Monday and give each man a serial number. The national lottery for order numbers will be held March 17.

Allen Is Featured In Hix Cartoon

Prof. L. G. Allen was featured two years ago by Robert Ripley in "Believe It Or Not."

John Hix has now featured Mr. Allen in his cartoon, "Strange As It Seems."

A good likeness of Mr. Allen is shown with the following information: "L. G. Allen, former school teacher, is the son of a school teacher, husband of a school teacher, father of 3 school teachers, brother of 6 school teachers, brother-in-law of 4 school teachers and the uncle of 9 school teachers. At 72 he enrolled as a student at West Texas State College, where he had been dean for 25 years."

Mr. Allen says that the above is correct, except that he was uncle of 13 school teachers.

Kleinschmidt Takes Magnolia Station

Earl Russell turned over to J. W. Kleinschmidt the new Magnolia Station at Fourth Avenue on the highway Saturday night.

The K Service Station was closed and the buildings are being removed. Mr. Kleinschmidt operated the K Station at this place for 19 years, leasing the ground for the station from Mrs. J. T. Service.

Mr. Russell left yesterday for California.

TEACH AT VEGA

Mr. and Mrs. Jack Walker left Sunday for Vega where they have accepted positions in the Vega Public Schools. Mrs. Walker is teaching third grade and physical education, and Mr. Walker is coaching. Mrs. Walker is the former Miss Martha Jo Newlin.

Do your shopping in Canyon.

Will Be Put Into Effect In Randall County April 1st—County-City Plan

The food stamp plan will be put into operation in Randall county on April 1. At a meeting of the Commissioners Court and City Commissioners yesterday the county and city entered into a 50-50 agreement in operating the plan.

Stamps will be mailed out of the Panhandle office in Amarillo to those who are qualified to receive the benefits of the plan.

The commodity office which has been in operation here will be closed and the stamps used to buy groceries from local merchants.

All grocers in Canyon met with the county and city officials yesterday and approved the plan. It was pointed out that the stamp plan will make possible a better market for the farmers.

The stamp plan has been in effect in many counties during the past two years. Application was made from Randall county months ago but it was not until it was decided to set up headquarters for several counties that the plan was made possible for this county.

Red Cross Ships First Quota of Sewing Monday

First quota since the opening of the Red Cross Sewing Room on the west side of the square was shipped this week, according to Mrs. Bessie Melton, chairman of the project.

First call from national headquarters for mailing supplies was received Monday and the goods were immediately packed.

This first quota included 12 pairs of pajamas, 83 children's night gowns, 6 bed jackets, 27 hot water bottle covers, 25 ice bag covers, 12 bedside bags, 27 housewives (sewing kits) and 12 card table covers. Four sweaters, knitted from yarn left from last year, were included in the shipment. All the marine sweaters are finished, but the call for shipping has not yet been received.

Mrs. Gertrude Wade is credited with having finished the greatest number of sweaters for the Randall County Red Cross. She is now knitting on her fifth one for the present emergency. Mrs. Wade knitted for the Red Cross during the last World War.

Second among the knitters is Mrs. Charles Donnel, who is working on her fourth sweater, and several knitters are working on their third sweater.

Each county chapter is allowed to do as it wishes with the scraps left from the outfitting. Two quilts have been made from the scraps of the garments cut here. One of them was made by the Blue-bonnet Needle Club and the other by various workers at the sewing room.

Important Meeting For Cemetery Asso- ciation Saturday

A most important business meeting will be held by the Dreamland Cemetery Association Saturday afternoon at 3 o'clock in Thompson Club Room according to the president, Mrs. R. O. Allison.

All interested in the work which is being carried on by this organization are urged to be present.

Has Sugar Souvenir of World War I

Proving that Americans can get by on a limited supply of sugar, Mrs. Jim Coffee is now displaying a two pound cloth bag of sugar which she bought during rationing for World War I and had left over. She bought the sugar in 1919, the year following the close of the war. Sugar was still rationed at that time.

Miss Margaret O. Piltz of Dalhart is taking the place of Mrs. Annoree Spivvy as stenographer in the Farm Security office, while Mrs. Spivvy is on a leave of absence.

Banquet Will Be Given Boys

Limited Number of Tickets
For Both Men and Women
On Sale Two Places Friday

The Buffalo Basketball team will be honored by local fans Tuesday night with a banquet at Cousins Hall. The Tallest Team in the World, winner of the Border Conference, has been honored and publicized throughout the length and breadth of the nation. Home folks will now express to the mighty Buffs their appreciation in this banquet Tuesday night at 8 o'clock.

The basketball boys and their girl friends will be guests of the fans. The freshman basketball team, winners of the Amarillo tournament, are also invited as guests of the fans.

Cousins Hall will accommodate just 210 people in the dining room. There will be 42 guests on the varsity and freshmen squads, leaving only 168 tickets to be offered for sale to the public. The tickets are \$1.00 each. Tickets will be placed on sale Friday at 12 o'clock and will go to the first 168 people who buy. After these tickets are sold, there will be no more available.

This will not be a stag affair as has been the custom of other athletic banquets. It is hoped that a large number of men will bring their wives or lady friends for this banquet. A short program of appreciation will be held.

Tickets will be sold at the Jarrett Drug Co. and at the Business Office of the College. The supply of tickets probably will not last longer than Friday afternoon.

A movement has been started to buy gold basketballs for members of the Buffalo team. Fans are asked to contribute to the fund of \$112.50 necessary to give each of the squad a token of appreciation for their fine work this season. Contributions will be left at either the Jarrett Drug Co. or at the Business Office. It will not be possible to secure the gold basketballs with the names of the players engraved in time for the banquet Tuesday night.

Canyon Will Go On War Time; To Start March 30

Canyon will switch to war time on Monday, March 30.

Most of the business houses of Canyon have been operating under the old time, but by March 30 the days will be so much longer that a change to war time will be possible.

The college and public schools will go to war time, and all business houses will start to operate on the new war time basis.

Change to war time will allow closing of business houses earlier and allow more time for raising war gardens and other forms of recreation.

Parent Teachers to Postpone Meeting To March 17th

The regular meeting of the Canyon Parent-Teachers Association which was scheduled to meet March 10 has been postponed to March 17, 8:30 p. m., because of conflicting schedules in the high school auditorium.

All are asked to observe this change in the meeting date.

Three Will Represent A.A.U.W. Saturday

Dr. Ina C. Barlow, Miss Margaret Barrett, and Dr. Hattie M. Anderson will go to Lubbock Saturday to attend the Neighborhood Conference sponsored by the Lubbock branch of the American Association of University Women.

Representatives from a number of neighboring branches will be present.

Dr. Katherine McHale, General Director of the national organization with headquarters in Washington, D. C., will address the conference.

Irby Carruth of Bonham spent Thursday night at the W. C. Black home. He is a former superintendent of the Canyon schools but is now head of the Bonham city schools.

Buffs to Play City Tourney

Buffs Invited to Play in
All of the Big Meets of
Nation: Return to New York

The Buffalo basketball team will leave March 14 for New York City to enter the National Metropolitan Intercollegiate Championship Tournament. Eight championship teams of the nation are invited to this tournament, which is the largest tourney in the world. Coach Al Baggett considers this the greatest compliment that could be given the Buffaloes in recognition of the wonderful season through which the Buffs have played.

From the time the game ended in Lubbock Monday night until yesterday noon when it was announced (Continued on last page)

Sugar Rationing Cards Will Be Available Soon

Sugar rationing books will be issued during the last week of March, according to preliminary announcement received here this week.

Each man, woman and child will receive a book during a four-day period to be announced.

School teachers will serve as registrars under the direction of local rationing boards. Family registrants will go to the elementary school of the district in which the family lives, while retail merchants will register several days earlier at high schools. Registration dates probably will not be set for another week or so.

One adult may register for each family unit; and a family unit, generally speaking, will be considered to be a group, related by blood or marriage, living and eating together under the same roof. Servants, lodgers and others who live in a household must register individually.

Meanwhile, state rationing administrators have appealed to sugar hoarders to avail themselves of the opportunity now to sell back to retail stores any excess sugar they may have, at the daily shelf price. If they do not, from one to eight stamps may be torn from their books at the time they register, and they will not be able to buy more sugar until their excess supply has been used up. No amount has been determined yet for a "normal supply," but it is expected to be a figure near two pounds per person.

Special provisions will be made later to provide householders with sugar for home preserving and canning.

Hills Went Thru Air Raid While In California

President and Mrs. J. A. Hill returned Saturday from California, where they visited at the home of their son, Joe Hill.

They went through the raid which was made on the coast, but Mr. Hill states that he saw no evidence of planes. There was much excitement during the raid, with anti-aircraft guns and search lights going into action. There was divided opinions among the people as to the source of the alarm, states Mr. Hill.

Mr. Hill attended the NEA meeting at San Francisco where he met a number of West Texas exes. Among them was General Ralph Cousins, who is in charge of the air forces of western states.

Farm Bureau Will Meet In Amarillo

The Texas Farm Bureau Association will hold a district meeting for the Panhandle district at the Herling Hotel in Amarillo, Friday, March 13. The session will begin at 10 a. m.

W. M. Deck of Perryton, State Director for this District, will be in charge of the meeting. Officials from the State office will be on the program.

James Eddie Park, Chairman for Randall county, is asking every Farm Bureau member who can do so to attend the district meeting.

Mrs. Ralph Cabe and daughter have moved to Velasco where Mr. Cabe is employed.

W. F. Nix Has Opened Office Law Practice

W. F. NIX

W. F. Nix is opening his law office in Canyon. He will be in the Olympic Theatre building, north side of square.

Mr. Nix received his law degree from the University of Texas in 1923. He opened offices in Amarillo where he has practiced since that time. In June, 1940, he moved his family to Canyon in order to take advantage of the educational facilities of Canyon. He has been commuting between his home and office until this week when he decided to move his law office to Canyon.

Mr. and Mrs. Nix have taken an active part in the religious and civic affairs of Canyon since moving here. He is an active member of the American Legion.

Mrs. C. A. Pierle Died Monday Noon; Funeral Tuesday

Mrs. Helen Parsons Pierle, wife of Dr. C. A. Pierle, head of the college department of chemistry, died at 12:20 p. m. Monday after a short illness. She had lived here 20 years.

Death resulted from acute toxemia growing out of a throat infection.

The funeral services were held Tuesday afternoon at four o'clock at the Presbyterian Church conducted by Rev. Alfred Dorsett and Bishop E. C. Seaman of Amarillo. Interment followed in Dreamland Cemetery in charge of the Griggs-Thompson Funeral Home.

Active pall bearers were: Dr. D. A. Shirley, Dr. Albert Barnett of Lubbock, C. R. DeArmond, G. Trent Davis of Amarillo, W. A. Warren and C. E. Strain.

Honorary pall bearers were: Dr. J. A. Hill, Dr. R. P. Jarrett, Dr. L. F. Sheffy, F. E. Savage, L. S. Baker, Dr. H. A. Brown, Dr. Harris M. Cook, Dr. A. K. Knott, T. B. McCarter, J. L. Duflet, Dr. S. H. Condon, Dr. Lee Johnson, Frank R. Phillips, J. W. Kleinschmidt, Al Baggett, John A. Gillis, Dr. B. F. Fronabarger, Dr. J. S. Humphreys, Wallace R. Clark, C. A. Murray, Ray Campbell, T. H. Knighton, Dr. S. L. Ingham, C. R. Burrow, Dr. Kleim Alexander, Dr. L. E. Petty.

Survivors include three daughters, who are Miss Ida Martha, a student at West Texas State; Miss Eleanor, librarian at Fort Stockton High School; and Mrs. Paul Beck of Denver, Colo. An aunt, Miss Cora L. Wiles, lives here.

Mrs. Pierle received the B. A. degree here with the class of 1925 and the M. A. degree in the summer of 1933. She had special training in art and music and at one time was head of the department of English in Clarendon High School. She was a member of the American Association of University Women and the Order of the Eastern Star.

Mrs. Pierle went with her husband to China as a bride and remained in that country about eleven years. She taught Chinese the English language while Dr. Pierle taught in the Ching Hua College near Peking.

STORK SPECIAL

Bonnie Beatrice is the new daughter of Mr. and Mrs. Harold Leavitt. She was born on February 21.

Mr. and Mrs. Reeves Donnell have moved from Amarillo to the Donnell farm five miles northwest of Canyon.

Osborn O. Lockett left Sunday for a vacation trip to San Francisco.

Defense Bonds Exceed Quota

Good Lead Made in Bond
Sales As Third Month of
Year Opens, Wright Says

Randall county is ahead of its allotment in buying Defense Bonds, states R. H. Wright, county chairman.

The quota for 1942 is \$243,000, maturity value. It was first announced that the quota and monthly sales were based upon issue price value. State authorities have notified Mr. Wright that a change has been made whereby bond sales will be based upon maturity values.

The monthly quota for Randall county during 1942 is \$20,250, maturity value.

The sale of stamps and bonds in January amounted to \$23,606.95, maturity value. This amount is over the quota for the month, instead of being under the monthly quota as announced the first of February.

The sales for February amounted to \$22,374.80, maturity value. Randall county is \$5,481.75 above the quota for the two months.

Mr. Wright states that new names are being added to the Bond-A-Month Club as citizens realize the importance of backing the fighting men of the nation with money for tanks, guns, planes, and ammunition. 78 have enrolled in the Bond-A-Month Club and Mr. Wright asks that others call the bank and have their names added.

Monthly reports will be made on the sale of stamps and bonds in order that all citizens may know how the campaign is progressing.

Breitling Will Take Care All Janitor Duties

J. M. Breitling will have full charge of the janitor work of the court house. Mr. Breitling and W. S. Myers shared these duties before the death of Mr. Myers two weeks ago.

During a session of the Commissioners Court yesterday it was found necessary to reduce running expenses of the county and plans were made to inaugurate economies. No department will be crippled.

Several propositions were received as to the janitor work, but the court voted to place all of the responsibilities upon Mr. Breitling.

Old Edition of The Stayer Brought In

Mrs. John Davis brought an old issue of The Stayer to The News office this week. The Stayer was the name of this newspaper when it was founded in 1896 by Mrs. R. W. Morgan.

The date of the issue is August 3, 1900. The issue contained an account of the death of Junius C. Lair, brother of Mrs. Davis. The issue was among old papers of an aunt of Mrs. Davis and was mailed to her recently.

Early issues of The Stayer were destroyed by fire, but there is fairly complete files for the years 1901, 1902 and 1903, before the name was changed to the Canyon City News.

Youth Council To Meet Friday 5:30

The Youth Council of Canyon will have its second meeting Friday evening at 5:30 o'clock in Thompson Club room.

All youth organizations of Canyon are invited to have a representative at this council meeting and each will be given a chance to report on activities of its club.

The youth council, sponsored by Miss Rose Parsley, is conducted on the same basis as the Randall County Co-ordinating Council.

MARRIAGE LICENSE

Leonard F. Cowden, Jr., and Miss Joyce Anne Knox, Feb. 28.
Newt J. Reeves and Miss Ada Russell, Feb. 26.

Mr. and Mrs. E. C. Starr of Clovis, N. M., spent the first of the week here visiting her aunt and uncle, Mr. and Mrs. T. A. Black. Mrs. Starr, the former Miss Josephine Roach, is spending a few days here.

Organization Is Completed Here

Dr. Conrad Freed Named
Chief: Check Up Friday
Night of All Wardens

Canyon will be organized for air raids by Saturday morning. Every town in the nation has been instructed to have its organization complete and in effect at that time. Everyone hopes that the organization shall never be called upon for service, but preparations must be made in the event of an unexpected raid.

Under the organization plans, the mayor, county judge and sheriff are the directing committee. Sheriff M. E. Cantrell has been made the director of the entire air raid organization.

Dr. Conrad Freed has been named chief air warden with T. A. Black as his assistant.

A telephone is being installed for 24-hour service. An air raid signal will be announced in a few days.

Four precincts are made of Canyon, with Fourth Avenue dividing the town north and south, and 16th Street dividing the precincts east and west.

Wardens of these four precincts are: J. L. Duflet, W. A. Warren, R. O. Moore, and R. E. Ball.

Twenty-one section wardens are named in these precincts as follows: Chas. Stratton, Tom Langston, Mitchell Jones, F. E. Savage, Otto White, Derald Swineford, L. E. Van Meter, I. W. Scott, W. H. Harden, Jake Taylor, Archie MacAlpin, Ed Mickie, M. C. Sanders, Chick Nielson, D. E. Davis, A. B. Holt, Bill McCarter, E. L. Phillips, T. E. Allen, S. D. Allen, T. V. Reeves.

Men will be appointed for each block. Starting Friday morning block leaders will visit all homes, telling the residents what to do in case of a raid, and how blackouts are made effective.

All men serving as wardens will be finger printed at either the office of Sheriff Cantrell or at the Post Office. A 26-hour training course, which has been prescribed by Congress, will be given to all wardens.

A meeting will be held Friday night at 8 o'clock at the district court room of all wardens, section wardens and block leaders, peace officers, utilities workers for the purpose of completing the organization and giving full information in handling air raids.

WHAT TO DO DURING AN AIR RAID

1. Do not get excited.
 2. Quietly WALK to the nearest protected area.
 3. In driving, park your car, get out, and walk to the nearest protected area.
 4. Turn off gas appliances. Do not turn off at the meter.
 5. Remain in an inside room that has good ventilation.
 6. Do not leave your house until the all clear signal has been sounded.
 7. Stay away from windows.
- (Continued on last page)

Joe Black Named Rationing Clerk By Committee

Joe Black was selected Tuesday by the Randall County Rationing Board as clerk. He took charge of the office work and will devote two-thirds of his time to his job.

Until the board was authorized to employ a part-time clerk, Dan F. Sanders, secretary, was required to do all of the work. The federal government soon recognized the fact that too much work was required for members of the board to donate their time to this work.

Mr. Black stated yesterday that it would require continuous time for him to catch up with all of the details of his new job. He will have a desk in the office of County Judge A. H. Hunt.

W. O. Johnson Hurt In Wreck Saturday

W. O. Johnson was seriously injured Saturday afternoon on the highway south of Canyon. He was blinded by the snow and sleet and his car collided with a cattle truck when Johnson failed to see a curve. He was headed toward Canyon while the truck was going south.

The right side of Mr. Johnson's car was demolished. He was taken to the hospital for treatment. No bones were broken, but he was severely bruised as he was thrown against the steering wheel with such force that the wheel was broken by the impact.

Member of National Editorial Association and Texas Press Association.

"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation indivisible, with liberty and justice for all."

CASE OF MR. WORLEY

The case of Congressman Eugene Worley vs. Lieut. Commander Eugene Worley is receiving wide publicity in the Panhandle. The fight is growing warmer week by week.

Congressman Worley has left his office in Washington to become a Naval officer. The offices of both Congressman and Lieutenant Commander are noble ones and under ordinary conditions would take the full time of any man. Mr. Worley has turned the affairs of Congressman over to his office force. Naturally the force is good and well trained, or Mr. Worley would not have hired any member of his staff for the job. However, the question might naturally arise that even though the members are trained, tried and true, could the staff look after the job as well as the Congressman? If the staff can be Congressman, then why have a Congressman in name?

No one blames Gene Worley for wanting to whip Hitler and the Japs. Every red blooded young American wants to get into this scrap. The peace and dignity of Americans, and the security of the nation are at stake. Americans are a peace-loving, home-loving people. They are opposed to war. But every man who is worthy of the name American wants to do his part in the fight when some scoundrel seeks to invade this nation. In 1917-18 Americans who did not want to fight for their country were painted yellow. In this war, even

do they YOO-HOO at you
Healthy, nice-looking girls rate that attention! Scrawny girls are seldom attractive. You can't put on curves if you haven't the appetite for proper foods. VINOL with its Vitamin E1 and Iron encourages appetite. Your druggist has please VINOL
The Buffalo Drug

worse terms may be applied when men seek, without just cause, to escape their duty as soldiers.

Mr. Worley made a pledge during his campaign to join the fighting forces if he ever voted for war. Probably not 1% of the voters ever remembered that he made such a pledge. Those who did remember, looked upon this as another political pledge made during the heat of a campaign. Few people ever expect a successful candidate to remember his campaign pledges. But the Congressman remembered. When war was declared on America by Japan, Germany and Italy, Worley joined the navy.

Whether Worley is qualified, from a military standpoint, to be a Lieutenant-Commander in the navy is a question for the navy to decide. In times like these, when thousands of recruits are joining the service, the most likely civilians must be inducted into the service and made officers in short time. Trained men cannot be secured to man all of the ships which are being built. No doubt Gene Worley is a smart young man and in time will make a good officer.

In the meanwhile, what about the Congressional job while Mr. Worley is fighting Hitler and the Japs?

This district certainly needs a man in Congress at this time if we ever needed one. The News believes that Worley has so far made a good Representative. These are changing and critical times. Serious problems are confronting the people of this district and the people of this nation. However, if the war continues for four or five years, will Mr. Worley wish to continue in his dual capacity, depriving this district of direct representation.

Gene Worley is not the only office holder who is seeking to hold public office while away serving in the armed forces. At least one district judge, several county officers and a half dozen Texas legislators are asking the people to re-elect them while they serve in the armed forces. If it was assured that the war would end this year, the public's business would not suffer as a result of the public officials being absent. But if public office is a trust, and if the duties of any public office require the constant attention of the official, then the public must suffer when officials are constantly absent and unable to look after the duties imposed upon them by law and the constitution.

These are simply observations, and not intended as criticisms of Worley and other office holders who are seeking to hold public office while absent in Uncle Sam's armed forces. Chances are that in most such cases the soldier-candidates will be re-elected, because Americans look with great respect upon men who answer their country's call to arms in time of danger.

Texas can take little pride in the number of people killed on its highways; the conclusion is inescapable that some of these deaths can be prevented.

LET'S GET TOGETHER

The General and the Admiral who messed up the defense of Pearl Harbor are to stand court martial after the war. In the meanwhile they draw \$6,000 per year as retired officers. At Pearl Harbor they refused to get together; failed to heed warnings that the Japs were coming; and as a result nearly 3,000 men were murdered and millions of dollars worth of American property was destroyed by the surprise attack of the Japs. All of this could have been avoided, but the General and the Admiral refused to speak to each other and refused to join in defense plans.

Have we learned a lesson from Pearl Harbor?

An air raid alarm sounded last week at Long Beach and Los Angeles. Civilians were thrown into panic as a result of the signal. Civilian officers, men right on the spot and who saw what was going on, proclaimed that unidentified planes made a visit to the shores of America.

The results:

Secretary of Navy Knox issued a statement saying that the whole thing was a fake. There was no air raid by enemy nations.

At about the same time Secretary of War Stimson announced that the raid was genuine.

Again the navy and the army refused to get together and see what was going on.

Again the people are left in doubt. When the next alarm is given, will there be instantaneous responses to the warning, or will there be laughter because another joke being pulled?

Another instance of the past week:

President Roosevelt has demanded time and again that labor and capital get together to produce war materials for our fighting men. He has mildly spanked the labor leaders who refused to co-operate with the government. He has spanked industrialists for failing to take a broad view of the war and to build for the future. Yet Madame Perkins, the greatest stumbling block in his cabinet, remains to think up new frills to impede labor and to hamper production.

Congress is becoming disgusted with strikes. Various bills have been introduced to curb strikes. One of the silliest strikes of the year occurred last week, which caused Congress to take up strike legislation. Two workmen got into a fight, one belonging to AFL and the other to CIO; 4,000 workers stopped work while the government settled the dispute between these two hot heads. The President has blocked every attempt to regulate strikes.

Another instance:

The administration is sponsoring an appropriation to pay wages to men who were temporarily out of work while automobile and other plants are switching over to war production industries. These men received big wages before the plants closed and will receive big wages after they open. They will lose only a few weeks' wages. Is the government going to take care of thousands of automobile salesmen and mechanics who are entirely thrown out of jobs by this change in production; is the government going to repay the losses to service station operators because of the lack of business caused by the stoppage of car sales and tire sales; is the government going to pay newspapers and advertising agencies and automobile loan companies and the thousands of other people who are suffering real and continued

losses in this change from peacetime to war-time production?

Again, there is an insistent demand on the part of the people to abolish the silly 40-hour per week law and let labor work at least 48 hours per week. Workmen are willing; Congress came mighty near passing the measure last week. Madame Perkins, backed by the President, rushed to the aid of the social-frill 40-hour law and Congress was forced to back down. We shall continue to have the 40-hour per week law while the army and navy are handicapped for the lack of guns, ammunition, tanks and planes. We must have pink-tea frills of our petticoat labor administration regardless of the needs of MacArthur and other brave men who are fighting 24 hours per day to save Democracy.

France thought she could hold the Germans without work—and was an easy victim. England had a 40-hour law, and nearly fell. All this bunk has now been dropped and men are working 54 hours and more every week. The poor Frenchmen, the victims of socialism, are now slaves.

You fellows who are cursing our Allies—our only friends in this whole world and the only people standing between us and Hitler and Japan—lay off and look at the mess that has been made of our own defense program. Let's clean up our own household before criticising our Allies. After all, we had two years in which to get ready for war, and did little about it.

STATISTICS TO REMEMBER

The United Nations have 70% of the world's oil; 67% of the world's coal; 65% of the world's wheat; 60% of the world's iron ore and a majority of its livestock, dairy products, sugar output and other foodstuffs. Total population: 1,200,000,000 free people.

The Axis Nations and their conquered lands have only 10% of the world's oil; 30% of the world's coal; 23% of the world's wheat; 20% of the world's iron ore, and only a small amount of livestock, dairy products and other foodstuffs. Total population: 525,000,000 of which 220,000,000 are conquered people awaiting a chance to revolt.

Wendell Willkie has a way of speaking right out in meeting and exploding a truism right in your face. He says that he is getting tired of all this "defense talk." No war was ever won by defensive action. There has got to be an offensive action. Instead of "defense bonds" Willkie would call them "bomb bonds." We believe the old boy has something there.

College Farm Plans Projects

The college farm is expanding with several new projects already completed and plans for others under way. The newest is the Hereford project, which consists of a building for housing Hereford cattle, erected by the farm boys themselves. The material used was given to the farm by the college and the capacity when finished is twelve cows. The boys plan to start with six cows and buy more later. In addition to the building the boys built a plank corral. Those who worked on the project were Vaughn Lister, J. M. Montgomery, J. C. Williams, John Heinz, and Glen Williams.

A poultry building is being planned now and will be started as soon as possible.

At present the farm is feeding 35 hogs in addition to 20 breeding hogs. The feed used is that grown on the farm this summer. This is the first year it has been sufficient to feed hogs on a big scale. Four hundred tons of ensilage was raised last year by the farm, and this is being used to an advantage now.

Johnson Items

Mrs. Wilson Hill and son left for Sacramento, Calif., Thursday to be with Mr. Hill who is in the Air Corps there.

Miss Lula Spiser and Mrs. E. J. Bauer were business callers in Amarillo Saturday.

Mr. and Mrs. Roy Stockett of Tulia spent Saturday evening in the E. J. Bauer home.

Mr. and Mrs. E. J. Bauer and family and Mrs. Wilson Hill and son visited with Mr. and Mrs. Roy Stockett of Tulia Wednesday evening.

REV. J. W. MARSHALL

B.S.U. Secretary Is Main Speaker

Approximately 300 visiting Baptist students are expected on the campus during the Plains Conference to be held March 20-21. The Plains Conference is composed of Wayland College, Texas Technological College, Hardin-Simmons, and West Texas State.

Rev. J. W. Marshall, state B. S. U. secretary, will be one of the outstanding speakers at the conference. He is to speak twice during his stay and will show his technicolor pictures of the Orient Saturday night. He will speak at the First Baptist Church Sunday morning, March 22.

Deals In Dirt

W. A. Warren and wife to Tom Fleming, lots 3 and 4 in block 35, C. C.

C. B. Reeder to Fred C. Reeder, 516 acres being part of Survey 49, block 6 and part of Survey 50, block 6; and north 50 acres of the northeast 1/4 of Survey 34, block 6.

A. Arthaud to Louie E. Arthaud northeast 1/4 of Section 5 in block 11.

John T. Ward and wife of W. H. Kimbrough, all north 1/2 of north-west 1/4 of Section 152, block 2. pg 170.

Wayside Items

The big snow that fell Saturday night was appreciated by the farmers. The roads will be bad for a few days.

Mrs. Ada Hamblen called on Mrs. Ida Sluder in Happy one evening last week.

Willie Modisette, his sister, Mrs. M. C. Sluder and little son, Vance, also a lady friend from Dalhart, left last Tuesday for Oklahoma to visit in the parental Modisette home.

John Patterson and daughter, La Quitta, also J. E. Culwell were Amarillo callers last Thursday.

Mr. and Mrs. John Stockett were business callers in Amarillo and Claude last Friday.

Leon Ransom, the county agent from Claude, was in the Wayside community one day last week in interest of the 4-H club.

The skating party Friday night was well attended and enjoyed. Some of the ladies took their knitting along.

See the new designs in wall paper at Burrow Lumber Company. There is a new pattern for your every need.

DO PLATE SORES

BOTHER YOU?

Social Events of the Week

Ada Russell and Newt Reeves Are Wed Sunday Eve

Miss Ada Eleanor Russell became the bride of Newt Reeves in a quiet ceremony Sunday evening at 8 o'clock at the home of her brother, Earl Russell on Twentieth street. The Reverend C. N. Wylie, Presbyterian minister, officiated at the single ring ceremony as the couple stood in the archway of the dimly lighted living room.

The bride was becomingly dressed in blue lace with matching brooch and belt clasp being the only adornment.

Following the ceremony, at which only a few neighbors and friends were present, the couple left for Amarillo where they spent their honeymoon before returning to their home in Canyon at 1818 Eighth Avenue, where little Frankie Russell, niece of Mrs. Reeves, will live with them.

Both Mr. and Mrs. Reeves are well known in Canyon, each having lived here for a number of years.

ZITA H. D. CLUB WITH MRS. STANDLEY

The Zita Home Demonstration Club members met in the home of Mrs. Fred Standley in Canyon for their last meeting.

The program prepared by the club was a study in many phases of first aid. General directions for the first aid, how to stop bleeding, the types and usage of bandages, an asphyxiation were presented. Mrs. E. A. Michael directed a demonstration in artificial respiration.

Plans were completed for a rummage sale to be held on Saturday in Amarillo.

During the social hour, Mrs. Standley served delicious refreshments to the following club women who were her guests: Mrs. Emma Gruner, Mrs. Forrest Gruner, Mrs. Marshall Rockwell, Mrs. J. P. Upchurch, Mrs. Rufus Ziegler, Mrs. Baile McCormick, Mrs. E. A. Michael, and Mrs. John Moody.

The next meeting of the club will be held in the home of Mrs. Baile McCormick at which time Miss Frances Wilroy will give a demonstration on whole grain products.

JOLLY NEEDLE CLUB HONORS MRS. SLACK WITH SHOWER

Members of the Jolly Needle Club gave a shower Thursday afternoon for Mrs. Burney Slack, an ex-member of the club, whose household furnishings were burned recently when being moved here from Lubbock. Mrs. Worth A. Jennings, Jr., and Mrs. James Jennings were hostesses in the home of the former.

Knitting and other needlework furnished diversion for the afternoon.

Ice cream, cookies, mints, salted nuts, and coffee were served to Mrs. K. R. Schramm, Mrs. Marion Higdon, Mrs. Tom Newton, Mrs. Joe Carver, Mrs. Morris Small, the honoree, and the hostesses.

Gifts were sent by Mrs. Olin Huff and Mrs. E. I. Boyce, who did not attend.

WARWICK HOME IS SCENE OF DINNER-BRIDGE

Thursday evening of last week Mr. and Mrs. Clyde W. Warwick were at home to members of the Friday Afternoon Bridge Club together with their husbands as special guests at the monthly dinner-bridge for that group.

Patriotic place cards were used to seat the guests at quartet tables which scheme was further carried out in the dining room table decorations.

Present for the evening were Mr. and Mrs. Conrad Freed, club guests; Mr. and Mrs. Dan Sanders, Mr. and Mrs. C. L. Thompson, Mr. and Mrs. M. S. Bishir, Mr. and Mrs. Guy Harp, Mr. and Mrs. W. C. Black, Mr. and Mrs. W. L. Smith, Dr. and Mrs. R. A. Neblett, Mr. and Mrs. Lee Foster, Mrs. T. H. Knighton, and the Warwicks.

LUCKY 13 CLUB MEETS WITH FARLOWS

Mr. and Mrs. George A. Farlow entertained the Lucky 13 Club at a Mexican dinner and bridge Thursday evening at their home, 1813 Fifth Avenue.

Appointments for bridge were in the Mexican motif and table decorations used the Mexican color theme. Dinner was served buffet style from a table laid with a colorful cloth.

Much comment was caused by the high score bridge prizes, which were awarded Mrs. Hud Prichard and J. L. Dufiot. Wrapped in beautiful gift packages was an amount of sugar in keeping with the prize limit of the club prizes.

Seated for dinner were Mr. and Mrs. T. A. Black, Mr. and Mrs. Dufiot, Mr. and Mrs. A. L. Walsh, Mr. and Mrs. J. J. Walker, Mr. and Mrs. T. S. Maxwell, Mrs. Joe Black, Mrs. Prichard, Mrs. T. B. Black, Mrs. R. B. Davis, and Mr. and Mrs. Farlow.

REBEKAH LODGE SHOWERS MRS. BURNEY SLACK

Members of the local Rebekah Lodge gave a shower Thursday afternoon for Mrs. Burney Slack whose household furnishings were recently destroyed by fire. Mrs. C. M. Ford was hostess for the occasion.

During the afternoon the club members did needlework, after which lovely refreshments were served by the hostess.

Gifts were received from Mrs. Ed Weeks, Mrs. Marion Higdon, Mrs. Fred Crowder, Mrs. Isabel Dickinson, Mrs. Levi Cole, Mrs. Ola Ridgway, Mrs. Bertha Latimer, Mrs. W. I. Wester, Mrs. W. S. Myers, Mrs. Carl Hair, Mrs. P. K. Brian, Mrs. E. L. Bond, Mrs. Eva Morton, Mrs. Mack Stallings, Mrs. Rhea Robbins, Misses Columbia Redfearn, Nettie Morris, and Johnette Weeks.

Texas Exes Have Annual Buffet Dinner Sunday

Thirty-seven ex-students of the Texas University were guests in the home of Dr. B. F. Fronabarger Sunday evening for a tasty buffet supper served by Dr. Fronabarger assisted by his sisters Misses Elva and Marie Fronabarger.

The dining table was centered with an arrangement of orange calendulas and tapers in crystal holders.

The evening's program was made up of colored slides of the University, group singing and skits by several who wore clothing they wore while attending the University.

At the business meeting presided over by retiring president Dr. R. A. Neblett, Dr. Fronabarger was elected president with Mrs. W. L. Smith, vice-president; Robert Hibbetts, re-elected secretary-treasurer and Dr. Ima Barlow, Alcade reporter.

Movies of the Texas-S. M. U. football game were shown later in the evening for those who desired to stay for this feature.

KENNETH VAUGHAN HOST TO CHURCH GROUP

The Intermediate Royal Ambassadors of the First Baptist Church met Monday at the home of Kenneth Vaughan.

Those present were Bobby Dowd, John Gill, Manis Foster, Harley Hicks and host Kenneth Vaughan, together with the sponsor, Claude White.

ACE BRIDGE CLUB WITH MRS. LEVI COLE

Mrs. Levi Cole was hostess to members and guests of the Ace Bridge Club Friday afternoon at her home on Seventh Avenue.

High score Defense Stamp winner at conclusion of the games was Mrs. C. M. Presley.

The hostess served a salad course at the tea hour to Mrs. N. E. McIntire and Mrs. Clyde McElroy, guests; and Mrs. S. B. Louder, Mrs. Ed Weeks, Mrs. Albert Byars, Mrs. W. L. Parsley, Mrs. C. M. Presley, and Mrs. C. M. Ford.

MRS. HENRY RATJEN IS CLUB HOSTESS TUESDAY

A covered dish luncheon was served for members of the Friendship Club last Tuesday who met in the home of Mrs. Henry Ratjen with hand work and bridge being the diversion of the afternoon.

Those present for the enjoyable occasion were Mrs. Robinson, a guest; and Mrs. J. T. Sykes, Mrs. S. L. Robinson, Mrs. Roger Gist, Mrs. Clarence Stallings, Mrs. Grady Persons, Mrs. Lonnie Byars, Mrs. Joe Baber, little Kay Fuller and Mrs. Ratjen.

RALPH H. D. CLUB HEARS FIRST AID LECTURE

The Ralph Home Demonstration Club met Wednesday of last week in the Council room with Mrs. T. C. Gooch as hostess. Miss Lucille Jameson, senior in West Texas State, was guest speaker for the occasion.

Miss Jameson discussed First Aid giving four pointers, namely: 1, prevent accidents; 2, gain enough knowledge to determine nature and extent of injury in order to apply proper first aid; 3, know how to do the proper thing at the proper time; and 4, know how to transport a patient in order to prevent further injury.

The hostess served tasty refreshments of sandwiches, with cocoa and cake to Miss Frances Wilroy, Miss Jameson, Mrs. S. G. Elliott, Mrs. L. L. Byars, Mrs. Clarence Adcock, Mrs. Joe Cox, Mrs. John Jennings, Mrs. H. L. Helzer, Mrs. M. O. Slack and Mrs. Johnston.

Mrs. Carl Schroeder will be hostess at the next meeting March 11 at 3 p. m. Whole grain products will be exhibited and Miss Wilroy will demonstrate "Foods the Body Needs."

CARD OF THANKS

We wish to sincerely express our thanks to all those who have helped us so much since all our household goods were burned. Your many kindnesses are appreciated.

Mr. and Mrs. Burney Slack and boys.

We are selling out our 1941 line of wall paper at reduced prices. See us today. Burrow Lumber Company.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep or you are to have your money back. (Adv.)

Gamma Phi Spring Pledges

Here are the college co-eds who took the pledge vows of Gamma Phi sorority Thursday night at a meeting in the home of the sponsor, Miss Edna Graham: Top row (left to right), Orvella Hill, Hereford; Marion Littlefield, Crosbyton; Betty Gray, Amarillo; Wilene Jennings, Tulsa; Anne Wofford, Canyon; bottom row, Vesta O'Dell, Amarillo; Janice Jones, Amarillo; Helen Studer, Canadian; Dorothy Gene Dixon, Shamrock; and Eleanor Wingo, Lockney.

SUPT. B. T. RUCKER HEADS SOUTH PLAINS EX-STUDENTS

A faculty group of 40 persons joined south plains exes in a pre-game dinner Monday night at the Mexican Inn at Lubbock. Ishmael Hill and Miss Mary Lou Robertson were in charge of arrangements, and Mr. Hill presided.

B. T. Rucker of Shallowater was elected president of the South Plains Ex-Students Association at the dinner. E. E. Key of Lubbock was elected vice-president and Mrs. Emmett (Ann Mansell) Hazlewood of Lubbock was made secretary-treasurer.

The Canyon-Lubbock exes were joined by Leota Lightfoot of Kirkland, Lester Martin and Mr. Rucker of Shallowater, Maxine Hoyle and Adele Hays of Levelland, and Raymond Thompson of Vega, president of the Ex-Students Association.

Several members of the Canyon delegation spoke words of greetings to south plains exes. About 65 persons attended the dinner.

Lakeside News

Mr. and Mrs. Arthur Olson and Mr. and Mrs. Emil Olson visited Mr. and Mrs. L. E. Gum Monday evening.

Mr. and Mrs. L. E. Gum visited his sister and husband, Mr. and Mrs. W. D. Allen of Miami, Friday.

Mr. and Mrs. E. B. Myers and Mrs. Mary Myers of Dallas visited Mr. and Mrs. T. J. Myers last week.

Mr. and Mrs. T. J. Myers were dinner guests of Mr. and Mrs. Tom Gerald Friday evening.

Mr. and Mrs. Tony Simon were dinner guests of Mr. and Mrs. Bob Fuller of Amarillo Sunday.

James and Stanley Lair spent the week end with relatives in Amarillo. Dortha and Leona Graves spent Saturday with Joyce Webster.

Jean Jerman spent Friday evening in Canyon with Mrs. Pat Britain.

"The first wealth is health"—Emerson, was the theme of the First Aid meeting of the Lakeside H. D. Club, which met on February 25 at 3 o'clock at the Community Center.

After the regular business meeting instructive narrations on First Aid were given by club members. Attending club members were Mrs. Tom Lair, Mrs. T. J. Myers, Mrs. L. E. Gum, Royce and LaNelle, Mrs. Arthur Olson, Mrs. J. J. Boling, Mrs. Albert Byars and the hostess, Mrs. Harold Byars.

Zita Breezes

Mr. and Mrs. Wayne McCormick and children, Beverly Jean and Edward, left Saturday morning for their home in Wichita Falls after a few days visit with relatives.

Mrs. Henry Brumme returned home this week from an extended visit in Burkburnett and points in Oklahoma.

Mrs. Rufus Ziegler is attending the First Aid and Home Nursing class in Amarillo.

The Zita Home Demonstration Club is sponsoring a rummage sale in Amarillo Saturday.

Mrs. W. C. Angel has been ill with flu for the past few days.

Mrs. John Fry of Lubbock and Miss Pearl Black of Canyon visited Mrs. Marshall Rockwell Tuesday afternoon.

The inventor of "Degaussing girdles," used as an anti-mine device, now has an anti-torpedo invention. What is it this time, a corset?

News In Canyon 25 Years Ago

(Taken from the files of the Randall County News of March 1, 1917)

Governor Ferguson signed a bill authorizing the creation of a new A. & M. College for West Texas.

Kaiser Bill seeks an alliance with Mexico and Japan. He offered Carranza, president of Mexico, the states of Texas, New Mexico and Arizona if Germany whipped the United States.

C. R. McAfee plans to send a large exhibit to the Dallas Fair this fall. He was in charge of the exhibit last fall.

Farmers were urged by L. L. Johnson, agricultural agent for the Santa Fe, to buy Holstein milk cows.

County Judge C. R. Flesher will start building a new home next month.

Winston O'Keefe Leaving Broadway To Be Cavalryman

He may be only a Broadway cowboy, but he is just about the busiest actor on theater row.

For Winston O'Keefe, onetime W. T. student, has been playing such radio serials as "Amanda of Honey-moon Hill," "Our Gal Sunday," "John's Other Wife," "Mary Mar-lan," and "David Harem." He played in several musicals and in "Tanyard Street." Very Irish, he has been a favorite for Irish parts.

But now, after a visit with relatives in Panhandle and Amarillo, he is going to Fort Riley, Kans., to report for duty with the U. S. Army. He will be a cavalryman.

After two years here, Winston attended Northwestern University. Following graduation, he went on a 30,000 mile lecture tour, singing cowboy songs. Since he went to New York he has acted in nine Broadway plays. But recently he gave much time to radio plays, believing that an actor should not limit himself to one medium.

For many years, an O'Keefe was always in West Texas State. David O'Keefe, who was featured in local plays last semester, is the last of the R. C. O'Keefe clan. He now is in Amarillo for advanced aviation training.

Teacher in Latin class: "What is the meaning of alter ego?" Student: "It means 'other I.'" Teacher: "Can you give me an example of its use?" Student: "He winked his alter ego."

"Yes, he comes of a very prophetic family. His father, for example, knew four months beforehand the day he would die."

"Remarkable. How did he know?" "The judge told him."

"How do you tell an old chicken from a young one?"

"By the teeth."

"Don't be silly. Hens don't have teeth."

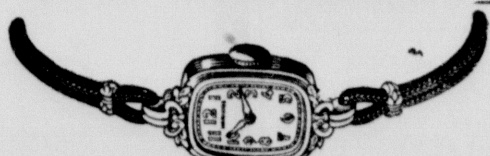

"I know, but I have."

"42" DINNER CLUB MET AT ROBERT BLACKS

Thursday evening the regular monthly meeting of the "42" Dinner Club met at the home of Mr. and Mrs. Robert Black.

A clever patriotic theme was carried out in the dining table centerpiece which was a toy drum with United States flags crossed over the top and red, white and blue candles placed at either side of this. Small flags were used as favors.

Games of "42" were enjoyed following dinner by Mr. and Mrs. Morris Small, Mr. and Mrs. M. S. Downing, Mr. and Mrs. Clay Cooper, Mr. and Mrs. Worth Jennings, Jr., Mr. and Mrs. Marion Higdon, Mr. and Mrs. T. E. Allen, new members of the club, Mr. and Mrs. Bill Money of Amarillo and the host and hostess.

Mrs. Mattie Price of Plainview came Tuesday to stay for a few days with her mother, Mrs. W. S. Myers.

The 1942 line of wall paper has just arrived at Burrow Lumber Company. Let us show you. It

MRS. MILLER IS HOSTESS TO PRESBYTERIAN GUILD

Mrs. W. E. Miller was hostess to the Presbyterian Guild Tuesday afternoon at her home. Mrs. Lee Foster gave the devotional on Faith. "America, What Now?" was the topic of a discussion by Mrs. James Butler.

After the business meeting, a refreshment plate was served to Mrs. J. D. Barker, Mrs. Alfred M. Dorsett, Mrs. Sparks, Mrs. Newton Harrell, Mrs. Robert Jarrett, Jr., Mrs. R. A. Neblett, Mrs. Irving So-Relle, Mrs. Clarence Thompson, Mrs. Foster, Mrs. Joe Black, Mrs. Cecil Briggs, Mrs. James Butler, Mrs. T. E. Allen, Mrs. W. L. Smith, and Mrs. Miller.

COUNTY H. D. COUNCIL MEETING SATURDAY

The Randall county Home Demonstration council will meet Saturday March 7 at 2:30 p. m. in the council room at the court house. Chorus meets at 1:30 p. m. in the council room.

Do your shopping in Canyon.

CORRECTIVE DIETS STUDIED AT PALO DURO H. D. CLUB

Diets can be corrected by education and change of food habits, according to a statement made by Miss Frances Wilroy to the Palo Duro Home Demonstration members March 3, meeting in the home of Mrs. Henry Miller.

Because of the prejudice in favor of refined foods, which easily contribute 42 per cent of the total caloric intake, the American people are too near the border line in their consumption of Vitamin B-1 or thiamin, which is now known to be of importance for mental, moral as well as physical stamina.

An interesting cooking demonstration in which whole wheat cereal was used was given by Miss Wilroy. At the tea hour a plate of molded salad with coffee and angel food cake was served together with samples of whole wheat cooking brought in by several club members.

Present were Mrs. Pauline Wendelken, Mrs. W. G. Rose, Mrs. Arthur Albers, Mrs. L. C. Ruthardt, Mrs. Ralph Ruthardt, Mrs. Madison Ruthardt, Miss Wilroy, Mrs. Miller and Misses Clara and Gertrude Miller.

The next meeting will be Feb. 17 with Mrs. Douglas Marshall.

MISS HOLGATE IN CHARGE OF BETA OMEGA PROGRAM

Miss Louise Holgate presented a program on dance Tuesday night at the meeting of the Beta Omega Chapter of Beta Sigma Phi in the home of Mrs. E. D. Harrell, sponsor. Present were Misses Billie Bee Flesher, Tommy Chambers, Louise Holgate, Mrs. R. T. McDaniel, and Mrs. Harrell.

"Fledging Devildog" Is Title of Dan Gerald

"Fledging Devildog" is the new title of Aviation Cadet Dan Gerald, son of Mr. and Mrs. Tom Gerald of Canyon, according to a recent article in the Corpus Christi Caller-Times.

His picture appeared in the same paper, showing him discussing aerial problems with his commanding officer while leaning against one of the marine's newest trainer planes.

Marine Cadet Gerald is stationed at the naval air station at Corpus Christi. The U. S. Marine unit stationed there has double duty—training as aviation cadets and guard duty at the air base.

Gerald is a graduate of Canyon High School and West Texas State College. He lived here until a year and a half ago. Gerald volunteered as a marine last spring.

Guests of Mr. and Mrs. T. V. Reeves Monday night through Wednesday were her sister, Mrs. Henry P. Leonard of Rock Island, Ill., and a niece, Mrs. Kenneth Leonard and son, James, of Rye, N. Y.

Sgt. Bud Myers left Tuesday for Camp Blanding, Fla., where he will join Company F. He was called home by the death of his father, W. S. Myers.

Mrs. C. M. Burger and children left Monday for their home in Washington, D. C., after visiting for three weeks with her mother, Mrs. O. B. Vaughan.

Vaughn Vandergriff, son of Mr. and Mrs. W. R. Vandergriff, has gone to California to find work. He accompanied his brother, Daily Vandergriff of Pampa.

Will We All Wear These?

Wins on Churchill, strolling informally through the White House grounds in his favorite "siren suit," told photographers we would all be wearing these before long.

AAUW President Named Monday

MISS MARGARET BARRETT

Miss Margaret Barrett was elected president of the Canyon branch of the American Association of University Women at the regular meeting of the organization held at the home of Miss Mary E. Hudspeth, Monday evening.

Miss Barrett will assume the duties of her office in September for a period of two years. She will succeed Dr. Ima C. Barlow.

Miss Barrett, who is head of the Department of Home Economics of West Texas State, has served the local branch of the A. A. U. W. in various official capacities. She is now completing her second year as first vice-president and membership chairman.

Other officers elected to serve with Miss Barrett are: first vice-president, Miss Jean Moore; second vice-president and program chairman, Mrs. W. Holmes Smith; and treasurer, Miss Bertie Mae Williams.

These are the times that try men's souls. The summer soldier and the sunshine patriot will, in this crisis, shrink from the service of their country; but he that stands it now deserves the love and thanks of man and woman. Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph. What we obtain too cheap, we esteem too lightly; it is dearness only that gives everything its value. Heaven knows how to put a proper price upon its goods; and it would be strange indeed if so celestial an article as Freedom should not be highly rated. —Tom Payne.

Examination paper: "If it takes seven men four hours and 25 minutes to dig a 60-foot ditch four feet deep and two feet wide, how long would it take three men to dig the same ditch?"

Bright student: "Since the ditch has already been dug, three men couldn't dig it."

Doctor: "Have you tried counting sheep to cure your insomnia?" Afflicted: "Good gosh, yes, Doc; and it only made me worse. The sheep reminded me of the price of meat."

Let us then be up and doing, with a heart for any fate; Still achieving, still pursuing, Learn to labor and to wait. —Longfellow.

The greatest difficulties lie where we are not looking for them. —Goethe.

A thought is an idea in transit. —Pythagoras.

These Winter nights against my windowpane
Nature with busy pencil draws designs
Of fern and blossoms and fine spray of pines,
Oak-leaf and acorn and fantastic vines,

Which she will make when summer comes again—
Quaint arabesques in argent, flat and cold.

Like curious Chinese etchings. —T. B. Aldrich.

Truth forever on the scaffold
Wrong forever on the throne,
Yet that scaffold sways the future
And beyond the dim unknown
Standeth God within the shadows
Keeping watch upon his own.

—Lowell.

"Women are not very strong physically."
"Perhaps not; but they can put the cap on a fruit jar so that it takes a man 20 minutes to take it off."

A fierce unrest seethes at the core
Of all existing things:
It was the eager wish to soar
That gave the gods their wings. —Don Marquis.

Notes from local papers: Abe Reed shipped a carload of hogs to Chicago yesterday. He went with the car.

He that gets forgets, but he that wants thinks on.—Italian Proverb

Dr. Smith Discusses Lionism at Meeting Thursday Noon

Dr. Lloyd N. Smith, professor at West Texas State, talked on Lionism at the meeting of the Canyon Lion's Club Thursday noon when M. E. Cantrell was in charge of the program.

This is the silver anniversary of Lions International. Since the first Lions International meeting was held in Dallas under the organization of Melvin Jones, Lionism is a native Texas institution. The speaker outlined the rapid growth of Lionism since its organization and gave objectives and code of ethics as shown in Lionism. Dr. Smith left the challenge that every Lion measure himself according to these standards of conduct.

Cantrell then introduced Chester Dunlap of Amarillo, district boy scout supervisor, who talked on cub scouting. Cub scouts, boys between the ages of 9 and 11 years, are grouped as dens instead of troops. They meet in the afternoon in the home of one of the mothers, who is called the "den mother" and who leads the "gang spirit" among the boys, explained Mr. Dunlap. He expressed the need of more den mothers who can take care of these "gangsters" in Canyon.

Mitchell Jones was elected third vice-president, replacing Ray Cole who has been called into service.

Guests at the meeting were Mr. Dunlap and Dr. C. E. Donnell.
Mr. and Mrs. Garland Turner and baby, Judy, of Tascosa spent the week end here visiting her parents. Mr. and Mrs. Nowell Lindsey, and his parents, Mr. and Mrs. Herman Turner.

Stop at Burrow Lumber Company today to see the 1942 line of wall paper which has just arrived. 11

Mr. and Mrs. C. L. Sone left yesterday for Fort Worth to visit at the home of their son, President Law Sone of T. W. C.

Mrs. Wayne Porter and Larry left last week for Velasco to visit several days with Mr. Porter, who is working there.

Farm Outlook Is Not Bright States FSA Speaker on Tuesday

"Insolvency of Rural America" was the subject of Garford Wilkinson Tuesday at the Rotary Club luncheon. He stated that agriculture was in the midst of a revolution. 47% of all farms of America returned \$600 or less to their operators in 1940, as compared with 28% in 1929.

In Texas, 51% of the farm families received \$600 or less in 1940, while 34% received \$400 or less.

In New Mexico 61% of the farmers received \$600 or less.

There are 210,000 farms in Texas of which 72,000 are mortgaged for \$154,700,000.

The speaker blamed large scale farming for present conditions. Great tracts of land are bought and leased making a migratory class of many former farmers who were formerly good citizens and self sustaining.

Farm Security Administration is solving the problem for thousands of families in the low-income bracket. The speaker outlined the many services which are rendered to farmers under the tenant-purchase plan. In this region 178 families are operating under Farm Security. In 1941 they repaid 70% more than was due on their loans. At the present time Farm Security is under the fire of political leaders who want low priced labor for their vast holdings.

Visitors were: E. Kancher and Arthur Osgood of Amarillo; Fred Stanley and Stuart Condron, Jr., of Canyon.

Miss Jean McAtee, who is attending business college in Amarillo, spent last week here with her parents, Mr. and Mrs. W. H. McAtee while recovering from a short illness.

Mrs. R. N. Barnett of Lubbock was here Sunday visiting her mother, Mrs. M. S. Frieze, and other relatives.

R. Seymour Rusk reported yesterday morning in Dallas at 10 o'clock for active duty with the navy.

Miss Kate Donnell of Dalhart spent the week end here visiting her parents, Mr. and Mrs. L. A. Donnell.

Mr. and Mrs. Earl Blankenship of Amarillo spent the week end as guests of Mr. and Mrs. Happy McAtee.

Mr. and Mrs. E. M. Myers of Canyon have moved to a farm near Floydada.

Joe B. Jackson of Amarillo is a new employee at the Chevrolet Motor Company.

Miss Frances Chambers of Amarillo spent the week end with Mr. and Mrs. Elver Brown.

President J. A. Hill left yesterday for Austin to attend a meeting of presidents of teachers colleges.

Mrs. E. D. Harrell returned Sunday from Temple where she underwent an operation a month ago.

Mrs. C. N. Harrison spent part of last week visiting friends and relatives in Amarillo.

Earl Russell left yesterday for California where he will work for an airplane factory.

Miss Martha Sutton spent the week end in Happy visiting her father.

Mrs. Bernice McClure has moved here to work at Bob's Coffee Shop.

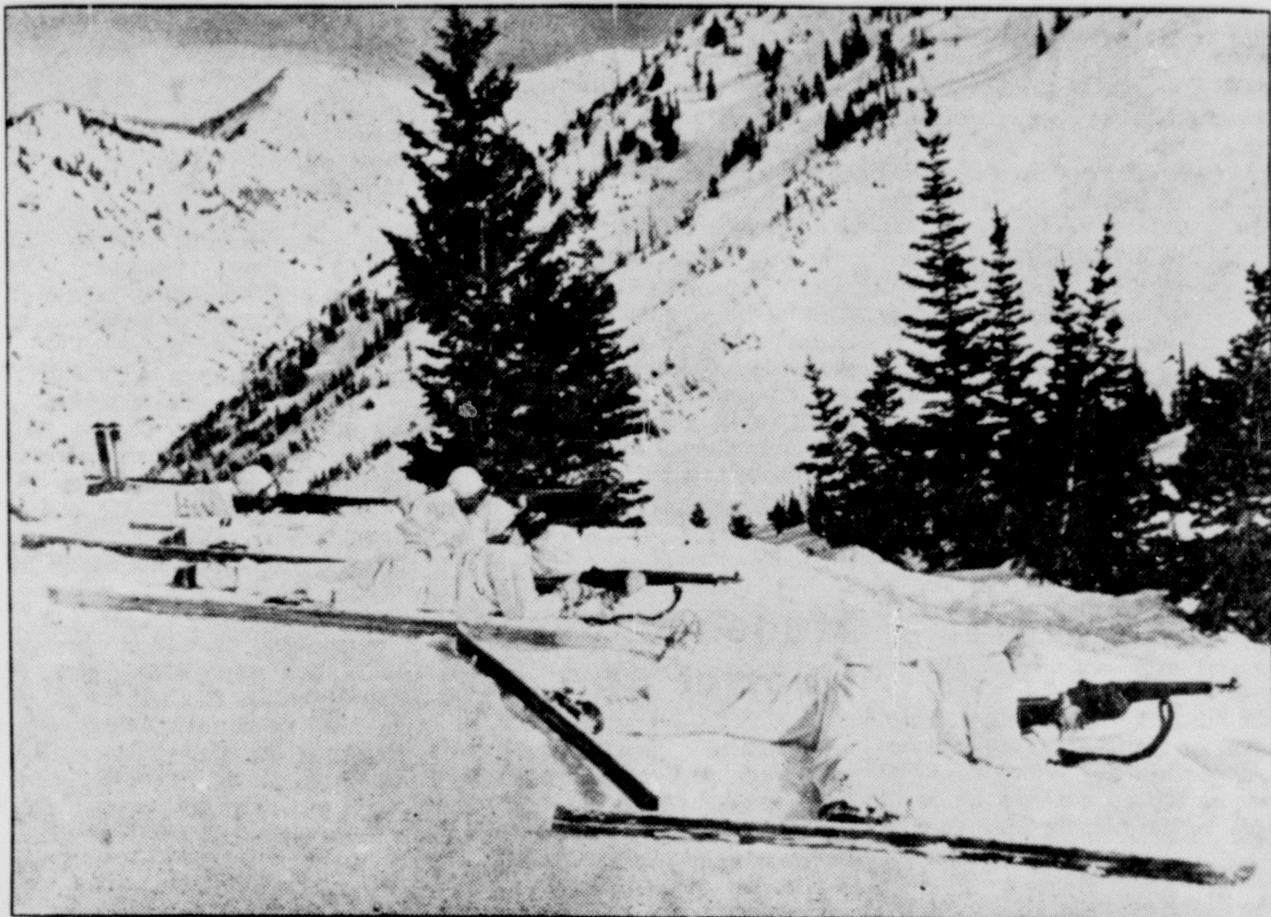

Let our schools teach the nobility of labor and the beauty of human service, but the superstitions of ages past—never!—Peter Cooper.

We'll stay on "war time" from now on, until we reach peace-time.

School Receives Airplane Plans

Students Will Make Scale Models for Air Training

"Plans and specifications for local cooperation in a national program to build 500,000 solid scale model airplanes for the Navy were received today from the United States Office of Education," Superintendent J. B. Speer announced.

Under the program, local high school youth will be given an opportunity to contribute directly to the Nation's war effort. The local quota is 50 model airplanes.

Superintendent J. B. Speer read a statement made by Secretary of the Navy Frank Knox in announcing the program.

U. S. Needs Models

"The armed services of the United States need 10,000 models of each of 50 different types of fighting aircraft, 500,000 in all; and we need them now," Secretary Knox said.

"We need them for purpose of aircraft recognition training and gunnery sighting practice. Beyond that, civilian groups will use the models for the public's education in aircraft recognition. We have been able to think of no more certain, fast way of getting them than by asking the youth of America to build them for us."

Schools Will Build Models

Superintendent J. B. Speer also quoted United States Commissioner of Education John W. Studebaker who said, in accepting for the nation's schools the commission from Secretary Knox to build these models, "This is one of the largest calls for national service ever made on American schools." Commissioner Studebaker also cited educational gains from the model building program.

Learn Valuable Lesson

"While they are making model planes for the use of the Navy and the Army and the Civilian Defense forces," he said, "American youth can learn valuable lessons. First, they can learn the value of precision. A model that does not conform to the exact specifications is useless. Secondly, students can learn the value of speed. This project must be pushed with utmost celerity.

"Third, youth will learn about aircraft of all the major nations. Although it is scarcely necessary to stir the interest of American boys and girls in aviation, since many of them expect to grow up to be pilots, this project will direct interest toward educational objective of immediate value."

Superintendent J. B. Speer explained briefly how the models may be used. "Identification must be second nature for a pilot," he said, "for in a dog fight no pilot has time to look for plane markings."

Models Will Help Spotters

"The models will serve also to train civilian spotters in identifying enemy planes. The British, I understand, have found invaluable the ability of citizens, through close study of models, to identify planes the instant it might take a plane to pass from one cloud bank into another.

"The safety of our major cities may soon depend on the ability of our citizens along coastal areas to spot and report quickly and accurately the types of enemy planes that may approach our shores."

Each youth who produces stated quantities of accepted models will receive an individual certificate, including his name and a statement on the importance of the work, issued by the United States Navy Bureau of Aeronautics.

Every time an American citizen rings Uncle Sam's cash register with the pledge of a defense saving stamp or bond, he is putting fighting equipment and material into the hands of our soldiers, sailors and marines on the battlefield.

A 10 cent savings stamp purchased by a citizen will buy a set of insignia for our Army, while a 25 cent stamp will buy a dozen bandages. One dollar invested in stamps or bonds will buy the Army one arm splint; \$6 will buy one anti-tank shell; \$10 will buy a tent and \$19.36 will buy one 81-millimeter trench mortar shell.

A dime Defense savings stamp will buy five .45 caliber cartridges for the United States Marine Corps. Fifty cents worth of stamps will buy 12 yards of barbed wire. A dollar will buy one trenching shovel and \$3.50 will buy one round for a 37-millimeter anti-tank gun. Five dollars will get the Marines one steel helmet and \$18.75 will buy them one field telephone.

Fifty cents in Defense savings stamps will purchase one bean pot for our Navy, while \$5 will buy one Navy raincoat. When one lays out \$18.75 for a \$25 Defense bond, he makes possible the purchase of one flying jacket for our Naval aviators.

Juniors Will Go Tacky at Party

Room Mothers Will Serve Refreshments Tonight

Pigtails, ribbons and snaggleteeth will be exhibited at the class party tonight as the juniors gather to play old fashioned games as well as modern ones.

Under the direction of Anita Davis, Polly Winstead and Ermin Winstead, such games as "flying dutchman," "streets and alleys," "drop the handkerchief," "London bridge," and relay races will entertain the students.

Couples will find their partners by finding their respective names joined such as "Blondie and Dagwood," "Fibber McGee and Molly." Following the choosing of partners, refreshments of gingerbread, apples, stick candy and red lemonade will be served by the room mothers. Mesdames J. J. Wright, H. G. Persons, W. C. Black, Ed Harrell and sponsor, Mrs. Guy B. Tabor.

Mrs. Tabor announced that a prize would be given for the "tackiest" boy and girl present.

Some of our loyal little students have got from under the skirts of their old Alma Mater. At least something was said about Katherine Davenport and a certain James Harmon from down college way.

Congratulations to Arley Barnett, ex-student! Wow, he's a fast worker or something. Anyway the gal and the ring are both really beauties.

Speaking of exes, everybody "oh'd" and "ah'd" at Alvah Doak in his uniform. The only leave of absence he can get now is 10 days to get married. "It will be a long time before I get homesick enough to get leave like that," Alvah exclaimed.

You know, I can't help it; but I'm just naturally inquisitive. Something that has been bothering me a long time is whether people sleep on pillows or not. Personally it seems to be a waste of time, energy, etc. All it gives me is a "pain in the neck."

When I ask, "Do you sleep with a pillow?" almost everybody just looked at me kinda pitiful-like, since they have learned to expect almost anything. Some gave me intelligent (?) answers though:

Frank Sharman—Not in geometry.

Betty Harwood (dreamily)—Only when I'm lonesome.

Buck Guthrie—Sure. It takes too much trouble to pitch it off.

Bobby Black—When I'm down and out, I like to lie down on the down.

In assembly, I found that although we have no woods nearby, we have several lumbering jacks—or should I say limber jacks. Alfred Dietz really should yell "timber" when he starts charging into a tumble.

Every time I see a sunset, I think of Rose Hugh—rosy hue, some resemblance, don't you think? Well, anyway, they're both bright.

I don't mean to be snoopy or anything like that, but I saw Tommy Lou Ford and Evelyn McClendon doing a bit of classified artistry—L'il Abner figures, I believe.

Pratt Returns to Librarian Duties after Sick Leave

Miss Geraldine Pratt, librarian, returned to school Monday, after undergoing an appendectomy about three weeks ago.

When asked how she liked hospital life, she said, "Since I had such a well-located room, the time I wasn't sleeping, I watched the people passing by. I didn't, however, like the idea of being awakened every morning at 6:30 o'clock. "Despite this, though, I had many consolations during my stay at the hospital—beautiful flowers, letters, 35 one morning, and a gift package a day from my friends. I surely am happy to be back in school," concluded Miss Pratt.

Thirty cents in Defense savings stamps will buy one message bag for our Army fliers; \$1.50 will buy one pair of flying gloves; \$5 will buy a first-aid aeronautics kit and \$18.75 will buy one winter jacket.

Six dollars and thirty-one cents will buy one steel projectile for the Lyle gun; \$30 invested in Defense bonds will buy one breeches buoy for our Coast Guard, and \$40 will buy one cannister.

Speer Accepts Request of Pittenger Joins State Advisory Committee

Superintendent J. B. Speer has accepted the request of Dr. B. F. Pittenger, president of the Texas State Teachers' Association, to serve on the state advisory committee on Education and Defense.

The purpose of this committee is to bring the resources of the association and of the schools that it represents into service to help meet the national emergency.

Others serving on this committee are Superintendent E. E. Oberholtzer, Houston, Texas; Superintendent Tom B. Blackwell, Lytle, Texas; County Superintendent Jewell Schley, Sinton, Texas; Superintendent William B. Irving, Lubbock, Texas; H. D. Piliers, Wichita Falls, Texas; Thomas P. Baker, San Angelo, Texas; and B. F. Pittenger, Austin, Texas.

Josephine Is Victim; Nurses Render Aid

"Oh! Be careful! You'll break her neck," cried a distressed home nursing student as she carefully laid Josephine on the bed to administer first aid to her limber neck. A board soon remedied the flexibility.

Josephine, the most useful and also the laziest member of the home nursing class, is also the "goat." Anyway, she is used for everything from an ill patient to a first aid victim.

Being bathed, turned in all positions, dressed in a white flannel nightie, Josephine seems not to care for anything so long as she can retire in her bed on stilts.

Made by Dorothy Anderson and Mildred Gill, students, Esther Oren and Lloyd Richardson, student teachers, and Miss Rose Parsley, instructor, Josephine is the result of skillfully utilizing a soap box, cotton, old cloth and oil cloth. Her color is not so good, and her face is yet to be painted; but she has small ankles and nice legs, flexible fingers and arms that bend at the elbow.

Josephine is the only un-enrolled student in Canyon High, and she refuses to go to Principal J. F. Dickson's office; however he is to see her in the homemaking laboratory soon.

Amarillo Receives Delegation Seeking Mexican Customs

Seeking customs of the Mexicans and Spaniards, the first-year Spanish Class, Mrs. Tommie Montfort, sponsor, and several other visitors, made a trip to Amarillo Friday, February 20.

While in Amarillo, they saw the show "Sullivan's Travels," and dined at the "Mexican Inn," where a floor show, consisting of dances and songs, was given. Then the Mexican orchestra played while the Spanish Class danced the "Mexican Hat Dance."

"The trip was perfect," remarked Mrs. Montfort. "It was enjoyable as well as instructive."

J. B. SPEER

Boxing Tilts Begin Thursday at Noon

To find the best boxer in each of the ten weight divisions, Canyon High School's athletic department will begin boxing intramurals today.

Each three-round bout will last about five minutes, so that six bouts may be staged each noon period.

Marvin Albers, Jo Carroll Dutton, Bill Drummond, Billy Brown, Bert Brown, Raymond LaCour, Marvin Davenport, Billy Baker, Alvin Penn, Ernest Franks, Gordon Dickerson, Joe Ziegler, Eugene Davis, Bobbie Dowd, Max Bosley, Dana Persons and Clarence Thompson probably will be the participants.

After the intramural bouts are completed, Coach Wesley Cox will begin track training.

Students Present Quartet and Trio

The clarinet quartet and cornet trio presented a special program at the regular Band Parents' meeting Monday night, at 8 o'clock.

"Fughetta of the Little Bells," by Handel was played by the clarinet quartet composed of Anita Davis, Jane Campbell, J. Spencer Winn and Andy Walsh. Dan Cabe, Dick Woods and Ross Bruner, the cornet trio, played Herbert L. Clark's arrangement of "Flirtations."

Mrs. Buck Moore, president, had charge of the business program and committee reports.

Harold Barnett, bandmaster, announced that at the Band Parents' meeting in April, the band would present a special program of the selections they plan to enter in the regional band contest in Amarillo. This April meeting will be open house.

High School Places Patriotic Posters on Bulletin Boards

Patriotic posters called "Americanism" have been placed in all the rooms of the high school building.

Printed on white background in large blue letters are the following words: "Americanism is an unflinching love of country; loyalty to its institutions and ideals; eagerness to defend it against all enemies; undivided allegiance to the Flag; and a desire to secure the blessings of liberty to ourselves and posterity."

Woods Conducts Varied Program

Speer Administers Oath To Congress Members

Coach Wesley Cox and two of his boys' physical education classes demonstrated several tumbling acts to the student body Friday, February 27, as the Student-Faculty Congress presented its second assembly program under the direction of Dick Woods, vice-president.

The seventh, eighth and ninth grade boys manifested somersaults in the air and pyramids made by six and ten boys over which the other class members leaped. Camel crawls and double somersaults were also exhibited.

Fiddlers Conclude Program

"San Antonio Rose," "Listen to the Mocking Bird," "Steel Guitar Rag" and "Joe Turner Blues" played by guitarists Harris Brown and Wayne Trout, concluded the student-conducted portion of the assembly.

To give the Student Council delegates and officers full power, Superintendent J. B. Speer administered the oath of office to Gordon Lynn Dickerson, president, and Dick Woods, vice-president. Gordon Lynn, in turn, administered it to representatives Oscar Schuette, Mildred Gill, seniors; Johnny Harter, Carolyn Black, juniors.

Merle Dickerson, Georgia Faye Holt, sophomores; Evelyn Black, Sandy Oliver, freshmen; Fawn Rogers, eighth grade; Betty Ann Miller and Charley Farley, seventh grade.

Winners Present Plaque

The oath as designated by the constitution is: "I pledge that I will defend and support the constitution of the United States, the constitution of the state of Texas and the constitution of the Student-Faculty Congress of Canyon High School to the best of my ability, so help me God."

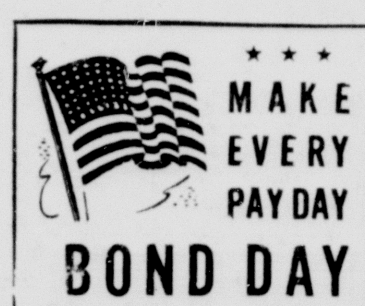

Intramural basketball winners for 1942, the sophomore boys, Bill Drummond, Bobbie Dowd, Max Bosley, J. Ray Hunter, Willie Railing, Raymond Graves and Harris Brown presented their winners' plaque to Mr. Speer, who will place it in the trophy case.

Illustrated Book Covers Vary Usual Short Story Reports

Pictures and captions are being used to vary the written short story report style of the required 12 stories for the month in Mrs. Guy B. Tabor's seventh grade.

Last week the pupils were required to make posters giving illustrative material to tell the story of the classic selection chosen while this week, book covers are featured. Pictures and the title illustrate the front of the cover and the author's life and a précis of the book cover the inside fly leaf.

Several of the stories selected were "Beowulf," "The Life of Clara Barton" and "King of the Golden River."

Air Youth Experiences First Plane Ride

Can you imagine a Canyon High School ex-student, Alvah Doak's being a member of the United States Air Corps for three months, and the first time he ever rode in an airplane was last Friday when he came home of furlough?

Arising at 4:45 o'clock each morning, Alvah has a full day's schedule at Scott Field, Illinois, until taps at 11 o'clock.

Army Requires Neatness
After reveille, Alvah's morning duties include shining his three pairs of shoes, making his bed and preparing his section of the barracks for inspection. A neat orderly closet, a bed made by regulations, and a spotless floor both under and around the beds, are the first tasks performed by Alvah and his 75 roommates each morning.

School starts at 6 a. m. and continues until 2:30 o'clock. However, night school starts at 2:30 and is dismissed at 10:30 o'clock.

Now enrolled in the Radio Division of Scott Field, Alvah plans to apply immediately for a transfer to become a cadet.

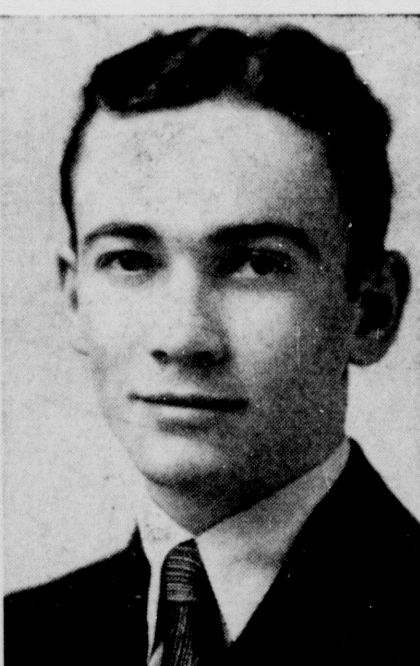

Radio Class Is Monotonous
After taking a radio class for three and a half hours continuously, the dots and dashes of the codes become so monotonous that at times I almost go crazy," said Alvah. "Then again, at other times, it never bothers me."

Now studying the alphabet, or the number of dashes and dots that it

takes to indicate a certain letter, each boy is working to be able to interpret 16 words a minute.

Getting out of school at 2:30, the boys perform certain duties until 3:30 o'clock, at which time the daily mail is distributed.

"After receiving the mail, you are off until supper time; that is, if you can dodge the details," mused Alvah.

ALVAH DOAK

Theaters Provide Recreation

Scott Field is divided into three areas. In each area there is a theater showing pictures during the morning, at noon and at night to help provide recreation for the boys.

Being an experienced speaker on the duties of K. P. (kitchen police), Alvah explained that the air corps has gone modern and now peels potatoes in a contraption which appears to be similar to a washing machine. However the machine does not do the eyeing; so the potatoes are eyed with paring knives.

"Meals are very good, and this is backed by most of the boys' gaining weight," explained the ex-student.

People Are Friendly

"People in and around St. Louis are the friendliest people I have ever seen; and if the girls here were as friendly as the girls there, they would be called 'flirts,'" commented Alvah.

Comparing Alvah's day at Scott Field to that of his uncle's, Sergeant Bud Myers, a 1935 graduate of Canyon High who is stationed at Fort Blanding, Florida, one finds a comparative difference.

Myers Is Line Sergeant

In 1934, Bud joined the National Guard; in 1938, he joined the army and now holds the position of line sergeant.

Recently, the training station of the motorcycle division at Camp Bowie was moved to Fort Blanding,

Sophomore Five Wins Intramural Basketball Victory over Seniors

Eaglet Captain

GENE HOLLABAUGH

Winning over her opponents, Ermin Winstead and Tommy Lou Ford, Gene Hollabaugh, a senior and a three-year letterman, will captain the volley ball Eaglets this semester.

"I'm surprisingly pleased with the honor of being captain, and I shall do my best as captain," stated Gene. Good sportsmanship, setting up the ball, spiking and good serves are points to be emphasized this year.

"The girls show a lot of spirit and enthusiasm, and I hope that we have a team that can beat Amarillo's," said Miss Helen Whiteside, sponsor.

Coming out for volley ball are the following girls: Juanita Anderson, Carolyn Black, Ruby Foster, Gladys Davis, Tommy Lou Ford, Geraldine Franklin, Betty Harwood, Gene Hollabaugh, Lottie Jo Johnson, Gwendolyn Phillips, Margaret Prichard, Fawn Rogers, Ellen Root, Lorena Turner, Ermin Winstead, Helen Woods and Patsy Woods.

Canyon Enlarges School in 1900

Because The Eagle's Tale considers it of interest, it is printing the following article as it appeared August 3, 1900 in "The Stayer," a weekly newspaper devoted to the interests of the Plains Country. This paper was published in Canyon, then called Canyon City.

"The addition to the Canyon City public school building was commenced this week. It will be 28x60 feet, well ventilated and lighted and easily heated. With this addition, the building will seat comfortably about 250 pupils. With a first class principal and an efficient corps of assistants, we believe the Canyon City school will compare favorably with any other school in the state. Prof. Rayzor, the new principal, comes highly recommended, and we bespeak for the school a liberal patronage. Board can be secured in good private families, some quite close to the school house, for \$10 per month. Boarding places for 10 pupils can be had now by applying to the principal, Prof. W. H. Rayzor."

Morale is largely a matter of feeling one's self necessary.—United States Office of Education Bulletin.

Bosley and Laughery Loop Five Baskets in Combat

Defeating the seniors by four points in the finals, the sophomores carried off the plaque of the 1942 Intramural Basketball Tournament. With the sophomores trailing the seniors by one point at the half, Max Bosley hit the net for four points in the first few minutes of the last half. Five more points were made for the sophomores while the seniors made only three. Max Bosley and Robert Laughery led the scoring with five points each.

In a previous game, the sophomores turned back the seniors by a score of 10-11. Harris Brown with five points was high-point man for the sophomores, while Bill Brown led the seniors with three tallies.

Seniors Defeat Juniors

Probably the fastest game of the tournament was the junior-senior game. The seniors really turned on the heat, beating the juniors 8-3. Laughery again led the scoring with five points while George Black scored three points for the losers.

Leading up until the last few minutes, the freshmen bowed out of the tournament after being beaten 4-5. The freshmen were leading the juniors one point until C. L. Roberts, junior forward, dropped one through from mid-court. The juniors then played a great defensive game until the whistle. George Black accounted for three of the five points on the junior team. Randall Garrett and Don Sattley each sank a field goal for the freshmen's four points.

Lettermen Defeat Faculty

As a climax of the tournament, the Eagle lettermen defeated the faculty 29-22. Although Coach Wesley Cox had six personal fouls chalked up against him, he went ahead and made eight points. Wayne Wirt kept the lettermen's goal jumping with six field goals for a total of 12 points.

All-Tournament Team

Selected by the coaches and referees of the tournament as the outstanding players, Charles Wright, seventh grade; Charles Taylor, eighth grade; Don Stanley, freshmen; Max Bosley, sophomore; George Black, junior; and Robert Laughery, senior, were placed on the all-intramural team. Robert Laughery was elected captain of the team.

High Point Man

High point man of the tournament was George Black who scored 27 points. Robert Laughery was close behind with 26 points. Bill Brown collected 15 points as Charles Taylor was making 12. C. L. Roberts was in fifth place with 11 points, and J. Spencer Winn and Richmond Hales tied for sixth place with eight points each.

Wright and Sanders Receive District Basketball Honors

Chosen as all district forward and guard, "Speedy" Wright and Calvin Sanders received basketballs presented by Superintendent J. B. Speer last week.

Of sterling silver, the basketballs have "1942" and "District 1-A" engraved on them.

Mr. Speer, congratulating the boys, said, "I'm sure that you deserve this honor; and I'm very pleased to have the privilege of presenting them to you. You, with the rest of the team, kept the Canyon High School banner flying high all through the tournament; and we are proud of you."

Mesdames Slack Give Party Honoring Harold Hill Slack

Honoring Harold Hill Slack, new pupil from Lubbock, on his eighth birthday, Mrs. M. O. Slack and Mrs. Burney Slack entertained Mrs. Roscoe Davis' second grade Friday afternoon.

A complete surprise to everyone, the Mesdames Slack served, on decorative birthday napkins, cookies, snowballs and hot chocolate to the pupils who ended the occasion by singing "Happy Birthday."

Barnett Receives Two New Quartet and Trio Pieces

Harold Barnett, bandmaster, received two new sectional pieces last Monday.

William S. Johnson's arrangement of "Marche Triomphale" will be played by the trombone quartet composed of Frank Sharman, Martha Jean Dowd, Bobbie Dowd and Lindsey Taylor.

The brass sextette, Gordon Dickerson, Lila Mae Lill, Clarence Thompson, Robert Laughery, Merle Dickerson and Frank Sharman will play "Memories of Stephen Foster."

THREE DOTS, ONE DASH AND A "V"

Three dots, one dash and a "v"—On every heart shall be Till the last echo has faded From the last of the bursting shell, And the last of the evacuated Have returned home safe and well.

Three dots, one dash and a "v"—For victory on the open seas And the last lone convoy is completed and The seas made safe for the world; With punishment justly meted As the blackguards' banner is furl'd.

—L'nor Wingo.

Buff's Whip Texas Tech

Buff's Take 16 Straight Games In Border Loop

End Conference Battle at Lubbock Monday Night with Second Victory Over Tech

As champions should, the Buffaloes of West Texas State met the terrific offensive of the Texas Tech Raiders in Lubbock Monday night and won, 50 to 39, in a game which was as wild as it was wild.

Midway of the first period, the racing Raiders were five points ahead, 12 to 7, but Coach Al Baggett steadied the tall men with reserves and the West Texans led, 25 to 16, at the half. Ledru Jacobs and Charles Johnson contributed field goals toward this result, although Price Brookfield made 7 points of his evening's total of 20 in these few minutes and Frank Stockman hit for one basket.

The swift comeback of the Buffs calmed the crowd of 2,500 somewhat, but not for long. Tech's Raiders, brilliantly fast, raised the score to 28-24, just two goals short of a tie and the Tall Texans were having trouble getting and holding the ball in the melee. Once more the Buff reserves rushed into the game while some starters rested on the bench and received admonitions from Coach Baggett. In matching Tech's pace, the Buffaloes ran into a wave of penalties and saw the scoring close to the 36-33 margin. But the Border Conference champs settled down and the score was 42-33 with five minutes left.

In the final minutes, Brookfield, Johnson, Jacobs, and Captain Frank Stockman found the basket to drive the score to 50-39 at the close.

The teams were so frenzied at times that passing the ball to an opponent was common. But despite the amazing pace, the game was cleanly fought.

It was West Texas State's 28th win in 30 games. This first year in the Border Conference produced a clean sweep—sixteen straight games. Brookfield's 20 points last night shoved his total for the season to 505—just 4 points short of the national record.

And today the Buffs were expected to get an invitation to play once more in Madison Square Garden, this time in the big tournament.

First Basketball Queen

The West Texas State College Buffaloes, currently rated as the No. 1 team in the nation, have for their 1941-42 queen Miss Norma Lea Blue, sophomore student from Canadian. Miss Blue was escorted to her throne between columns composed of the Tallest Team in the World and Arizona University Wildcats at the half of a recent Border Conference game here.

Freshmen Win Amarillo Title

Following the example so ably set by their upperclassmen, the West Texas State Freshmen won the Amarillo Independent Basketball League championship Thursday night by defeating the Canadian River Gassers, 40 to 34, in the final game of the playoff series.

By virtue of their victory the Frosh took possession of the permanent trophy put up by the Kinney Shoe Store and gained a leg on the traveling award donated by the C. M. Williams Company.

Players on both finalist squads were awarded individual prizes, gold miniature basketball charms for the champions and silver ones for the runners-up.

The freshmen were defeated once in the playoff but came back and twice defeated the team which upset them. Because of the double elimination plan, the Freshmen came up to the final series needing two victories, while the Rivermen needed only one.

The Frosh won the first in a hair-raising 42 to 40 battle and then increased their margin in Thursday night's game.

During the regular season, the freshmen lost one game to earn their place in the playoff.

The Freshmen went into the finals by beating the Gassers 42 to 40, in one of the most thrilling games of the league. The Gassers had a half time lead, 31 to 29, but were nosed out in the final period.

Crews, sensational Freshman forward, accounted for 18 points. C. Kelley followed with 9 and Ford with 6.

CHURCH OF CHRIST
The following services are announced for the week: Bible school Sunday morning 11:00, sermon and worship 11:45; subject, "The Christian Race"; Young People's Class Sunday evening 7:45; sermon—Sunday evening, "The Church—What Is It?" Tuesday evening 4:00 Ladies Bible Class; Wednesday evening, Mid-week Bible study, 8:30. You are invited to all these services.

There was Judas the traitor. We sometimes feel the English language does not contain words strong enough to describe the awful crime he committed; but was he any worse than the Chief Priests and the elders—the members of the Sanhedrin? He was just one evil actor. And every man who rejects Christ today virtually sides with those evil actors.

Meeting begins April 19, F. B. Shepherd, Evangelist from Bryan, Texas.

USE LESS PAINT AND SAVE WITH—

Lowe Brothers HIGH STANDARD HOUSE PAINT

Lowe Brothers HIGH STANDARD HOUSE PAINT covers solidly more square feet of surface per gallon, wears longer and actually costs less to use than cheap paints. And here is why! Recognized laboratory tests show that many "cheap" paints contain as much as 63% of water and other evaporating liquids—and

only 37% of protective film-forming solids. But Lowe Brothers HIGH STANDARD HOUSE PAINT contains 90% of surface protecting, film-forming solids. That's why it costs less to use—why it spreads evenly and saves time and money. Come in for your FREE copy of "Color Keys to Sunlit Homes."

BURROW LUMBER CO.

LIFE SAVER FOR Cold Weather Starting

Are you all at sea about what to do when your motor suddenly refuses to start because the temperature is low?

Here's the answer: Just fill the tank with Phillips 66 Poly Gas. That's the quick, easy way to find out what a difference high test makes.

A touch of the starter, and your engine rolls into action with split-second speed. It's got to, because any engine in good mechanical condition will start provided the gasoline in the tank is "hot" enough.

And Phillips 66 Poly Gas is extra hot! . . . without a penny of extra cost!

Try a tankful. Compare. See if Phillips 66 Poly Gas doesn't give you just about the fastest cold-weather starting, and the finest cold-weather performance, you have ever enjoyed.

Remember, the Orange and Black 66 Shield is High Test Headquarters for car owners . . . because Phillips is the WORLD'S LARGEST PRODUCER of natural High Test Gasoline.

Phill-up with Phillips for Instant Starting

Life is beautiful to whomsoever are no common people but they who agination or beauty. Such are dull will think beautiful thoughts. There think commonly and without im-enough.—Stanton Davis Kirkham.

1942

Auto Plates

Must be on all cars by midnight of April 1st, 1942, or owners will be subject to a fine, and must pay a penalty for not buying their plates on time.

Highway officers are instructed to arrest those who have not properly equipped their cars with the new 1942 license plates.

Plates are now on sale and may be placed on your cars immediately. They are on sale at the office of M. E. Cantrell, Sheriff, Tax Assessor and Collector, in Canyon.

For the convenience of those living in the north part of Randall county an office is maintained at 3401 Tyler Street, Amarillo, in charge of Deputy Capt. R. M. Allred. Citizens of that part of the county are urged to get their license plates of Capt. Allred.

New drivers must secure and carry a drivers license, examinations for which are given by State Highway Patrolmen each Monday and Friday mornings in Canyon.

M. E. Cantrell

Sheriff, Tax Assessor and Collector

Revetments Protect Pacific Northwest Coast

Revetments augmented by mobile and stationary anti-aircraft emplacements, are part of the defenses in the Pacific northwest coastal area. On the alert, a gun crew mans a 37-mm. anti-aircraft piece. Planes in the background would be in the air at once in case of alarm.

Air Raid Wardens

(Continued from first page)

8. Safest place is under heavy furniture.
9. Be near your radio and telephone.
10. If you or your house are hit, notify your block warden at once.
11. During an air raid put your cat outside—they go crazy. Dogs can be kept in.

WHAT TO DO DURING A RAID:

1. Turn off all lights.
2. Stay indoors unless necessity requires otherwise.
3. Do not drive your car if you can walk.
4. If outdoors, never run.
5. Wear light colored clothing, dangle a white handkerchief in your hand, and put a white band around your hat.
6. Carry a flashlight always, but use it very seldom.

HOW TO BLACKOUT YOUR HOME:

1. Paint any windows which are never used and strip with tape.
2. Cut cardboard to fit over glass in windows you need during the day or hang heavy blankets over windows.
3. Pull all shades and close venetian blinds. (Greatest danger is from flying glass).
4. Set aside a room in which to live during a blackout; equip it with bedding, a radio, a heavy table.
5. Remove all bulbs from porch or other outside lights.
6. Paint all metal roofs, windmills, water tanks, or other reflect-

ing surfaces with a dark paint.

7. If possible, keep your car under cover.
8. Do not buy special blackout materials, improvise from odds and ends about the house.

SPECIAL PRECAUTIONS FOR BUSINESS HOUSES:

1. Either turn off all advertising signs and night lights when you leave, or equip them with a switch which can be used by your block warden.

2. Tape your windows with heavy paper or adhesive to minimize flying glass.

3. Do not leave gas appliances running when you leave the store unless they can be turned off from the outside.

4. Cover all skylights with wood or metal coverings.

DUTIES OF ALL CITIZENS AT ONCE:

1. Meet your block and section wardens and get their addresses and phone numbers.

2. Prepare your premises for instantaneous blackouts and air raid precautions.

3. Co-operate by showing your warden the location of your garden hose, water outlets, gas meter, light switches, etc., and instruct him what to do if you are not at home during a blackout or air raid.

4. In all emergencies and in all cases not covered by instructions, contact your block or section warden.

NOTE:

An air raid is not the same as a blackout. An air raid may come at

any time, day or night. A blackout may be ordered when there is no air raid, but during an air raid after dark there will always be a blackout.

C. H. Jarrett, Mayor
M. E. Cantrell, Sheriff
C. W. Freed, Chief Air Warden.

PRESBYTERIAN CHURCH

Next Sunday will be the second Sunday in the Pre-Easter Loyalty Campaign in the Presbyterian Church. The theme for the morning worship will be "The Reed in His Hand." This is the second in a series of sermons "The Defense of The Cross." At the Sunday School house, immediately preceding the morning worship service, the Intermediates will have charge of the worship service, with the theme "Jesus—The Outdoor Man."

The theme for the evening worship at 7:30 will be "Then They Did Spit In His Face." This is the second in a series of sermons on the general theme "Lines In The Face of Jesus."

The Ladies Auxiliary will meet on next Tuesday afternoon at the home of Mrs. M. E. Cleavinger, with Mrs. A. L. Tarleton in charge of a program on "Social Education and Action."

Lawyer for the defense: "Do you drink?"

Prosecution witness: "That's my own business."

Lawyer: "Do you have any other business?"

In every rank, or great or small, 'Tis industry supports us all.

Gay.

Rubinoff to Play Friday Night

Rubinoff and his violin will be heard in Amarillo Friday night, March 6.

The celebrated performer, who plays the sort of music that average folks like, will be assisted by Alexander Makofka, brilliant young Russian pianist.

Rubinoff will play several of his own compositions, including "Banjo Eyes," dedicated to his pal, Eddie Cantor. The familiar theme "We Want Cantor" runs throughout the composition. He also will play such favorites as Gershwin's "Rhapsody in Blue," the haunting "When Day Is Done," and Drdla's "Souvenir."

Makofka will play two groups of numbers. Among them are Liszt's "Liebestraum" and Lecuona's modern classic, "Malaguena."

Rubinoff is being brought to Amarillo by the Philharmonic Orchestral Association. Local proceeds will go to Amarillo's symphony orchestra.

Mail orders may be sent to the Amarillo Chamber of Commerce, with check and self-addressed envelope enclosed. They will be filled with the best seats available upon receipt. Prices are \$2 and \$1.50 for the lower floor, and \$1 in the balcony. Boxes are \$2 and boxes \$1.50. These prices include tax. Tickets may also be reserved by telephone.

The concert will begin at 8:15 o'clock in the Municipal Auditorium.

On the preceding night, tonight, March 5, the Amarillo symphony will give its third formal concert of the year with Cornelius Van Vliet, Dutch-American cellist, as solo artist.

Pierce News

The heaviest snow of the season fell Friday night and Saturday, being about 8 inches on the level, and drifts several feet deep. Moderate weather has followed thus far. The moisture is welcomed on the wheat.

Buffs to N. Y.

(Continued from first page)

nounced in New York that the Buffs had accepted the invitation to the big tourney, Coach Baggett was besieged with telegrams and phone calls from all over the nation asking the Buffs to play.

Texas fans insisted that the Buffs meet Rice Institute for the honor of representing the Southwest in the NCAA at Kansas City and New Orleans. This offer was rejected in favor of the more tempting one from New York City.

The National Interscholastic Tournament will be played in Kansas City March 9-14. Fans insisted that the Buffs play in this meet. In view of the fact that Mr. Baggett is vice president of this tournament he was placed in a tight spot. He has named East Texas State, T. W. C. of Fort Worth, and Texas Tech to represent this territory. TWC is coached by Gus Miller, who becomes assistant coach at West Texas State on April 1.

A. A. U. at Chicago and the Midwestern Tournament of Denver were likewise insistent that the Buffs play at these places.

The Buffs received such wonderful treatment at New York City that all of the boys were anxious to return. This tournament is played
